IV. Summary of Meetings Held This Year

The AIB India Chapter held a Paper Development Workshop (AIB INDIA PDW) between 18-19 December 2014 at Indian Institute of Management Bangalore, India
Paper Development Workshop Report, AIB Chapter India, Indian Institute of Management Bangalore

The purpose of the AIB India PDW was to provide junior scholars and doctoral students with developmental feedback on their current research projects related to emerging economies. While many of these papers were to be eventually submitted to the AIB 2015 conference or Journal of International Business Studies (JIBS), the purpose of the PDW was broader: to improve the quality of IB research and bring new scholars into the IB field in India.

A team of experienced and well-published professors, Prof. Ram Mudambi, Prof. Elizabeth Rose, Prof. Charles Dhanaraj, Prof. Sumit K. Kundu, Prof. Suresh Bhagavatula, Prof. Sai Yayavaram and Prof. Snehal Awate, led the AIB India PDW. Prof. Ram Mudambi and Prof. Elizabeth Rose are JIBS Area Editors. Their travel was sponsored by the AIB. We thankfully acknowledge their support.

The acceptance rate was fifty per cent and we finally accepted 25 papers from 27 participants across various management schools in the country. Six mentors mentored all the 27 participants. The workshop consisted of panel discussions and break out session for the participants and mentors. One-on-one discussions between 27 participating authors and mentors were arranged. The mentors discussed the strengths and weaknesses of each paper, with the aim of providing robust and constructive feedback to assist authors to improve their papers to the standard required for international conferences and journals.

Panel discussions were organized on the following themes:

1. Researching and Publishing in International Business: Opportunities and Challenges
2. Publishing in JIBS & other Top Journals
3. Accelerating International Business Research in India: Way Forward

V. Plans for Future Meetings

The International Business Gurus Panel jointly organized by AIB and the India Chapter will be held at Bangalore in June 2015, a day before the AIB 2015
