

Academy of International Business Individual Membership: Low- Income Rate Declaration

The Academy of International Business (AIB) offers a low-income rate individual membership option. Individuals whose annual gross income is less than \$25,000 (USD) qualify for this rate. Members joining at this rate receive full membership benefits including voting rights.

By completing this form and submitting to the AIB Secretariat, I hereby declare my current annual gross income is less than \$25,000 (USD) and I am therefore eligible for the reduced rate membership. I understand the rate will be in effect until my membership is due again for renewal. A new form must be submitted each subsequent time the reduced rate is requested. Your renewal will be processed after we receive this annual verification for our files.
