PAPER DEVELOPMENT WORKSHOP (PDW):

A special feature of this conference is a paper development workshop (PDW). The purpose of the PDW is to improve the quality of IB research and provide junior scholars with developmental feedback on their current research projects in international business studies. We invite original papers from junior scholars who are interested in publishing in high quality IB journals. Please note that participation at the PDW is limited. Participants will be invited based on the quality of their submitted work.

PDW Chairperson

Dan Li

L. Leslie Waters Chair and Professor of International Business at the Kelley Business School, Indiana University

Her research focuses on the management of multinational enterprises and international new ventures. Dr. Li has published in the *Academy of Management Journal*, *Journal of International Business Studies*, *Organization Science*, *Journal of Management*, and *Journal of Business Venturing*, among others.
